Let yourself be enchanted by

EclActive

The luxury extract for your skincare

The advanced research of PhotonLife reveals the elixir for a sparkling health effect:

- visibly reduces wrinkles and imperfections
- enhances skin firmness and elasticity
- illuminates face and neckline, providing a uniform and radiant color

The Eclactive luminosity ritual, created for you:

- Eclactive Luxury Performance**
- Eclactive Cosmetics**
- Eclactive Plus**
- ECLACTIVE EXPERIENCE: PROFESSIONAL TREATMENT

Eclactive Luxury Performance

Active Skin Care

A beauty box where the highly revitalizing active ingredients of the Eclactive Cosmetics meet the luminous bio-stimulating energy of the Eclactive Plus for striking results:

- acts deeply, offering a correct hydration
- restructures the skin for enhanced tissue firmness and tone
- awakens the vital functions of the cells for a bio rejuvenation of the skin
- repairs the damages caused by the environment and age

Luxury Performance - Skincare is pure luxury:

- as daily luminous self-care for an ageless skin
- as care after the treatments performed in the Institute in order to optimize their efficiency

*The first active care that offers you a splendid cabin treatment.

Luxury Performance is the personalized self-care program:

Regenerating Action

Eclactive Cosmetics

Sensational dermocosmetics line that regenerates and nourishes the skin in depth, relaxes facial marks and re-illuminates the skin.

Result: the skin regains its natural physiological balance and innate capacity of reflecting light.

Day after day, the face shines with new beauty.

Velvet Cleanser Cleansing Emulsion

Cleans deeply, respecting the natural skin balance, for immediate silky, soft and elastic skin.

Hydro-Gel Lotion Hydrating Tonic Gel

Completes the cleansing leaving the skin harmoniously tonic and smooth.

Firming Complex Lifting Eyes & Face Serum

High performance serum: relaxes facial marks, minimizes wrinkles and leaves the skin fabulously soft and smooth.

Day Performance Restructuring Day Cream

Acts within the heart of the cells, boosting elasticity and smoothness of the skin.

Night Regenerist Regenerating Night Cream

Regenerating night treatment for enhanced skin tone and compactness.

Aqua+Therapist Hydro-Active Mask

Intensive treatment: prevents skin evaporation, hydrates and nourishes the skin in depth.

Eclactive Plus Bio-activator

Eclactive plus is the first exclusive and patented technology of self-care, that allows you to:

- optimally transmit the principal ingredients of the cosmetics enhancing their efficiency
- assist whatever type of beauty treatment performed in an institute

Eclactive plus use the luminous athermic energy, without any side effects, to bio-stimulate the vital reactions of the cells:

- prevents and tackles the skin imperfections of the face, neck and décolleté
- facilitates better oxygenation and nourishment of the skin
- boosts the luminosity of the skin
